

CURRICULUM VITAE

Name : **Ankit Khanal**
Date of Birth : 2003-01-13(A.D.).
Nationality : Nepali
Mailing Address : ***Residence: Permanent***
Arupokhari, Aarughat Municipality -8
Gorkha, Gandaki Province, Nepal.
Temporary:
Nagarjun Municipality -6, Ramkot, Kharitar,
Kathmandu, Bagmati Province, Nepal.
Mobile No.: +977-9863330067
E-mail: akkhanal2000@gmail.com,
ankit.khanal@spacegeneration.org
Website: <https://khanalankit.com.np/>

Present Position : Nation Coordinator, NASA Scientist For A Day,
Nepal (Volunteering)

Academic Qualification :
Bachelor in Engineering : Advanced College of Engineering and Management
(Tribhuvan University)
Kalanki-14, Kathmandu, Nepal

Faculty : Computer Engineering (2019-2024(March) A.D)

High School : Kathmandu Model Secondary School, Kathmandu

Field of study : Science (2017-2018) A.D

Secondary Education
Examination : Rainbow International Boarding Secondary
School, Kathmandu, Nepal, 2016A.D

Professional experiences:

1. Huawei's- "Seeds for the future" 2021 batch finalist and Team Leader from Nepal.
2. Worked for Moon Village Association's Participation of Emerging Space Countries Project from Nepalese Space Research Association (NESRA) as Research Team Member (July-August, 2021).
3. Worked for ARISS (Amateur Radio on the International Space Station) project proposal in Nepal with Collaboration between EWC (East-West Center) Nepal and RECAST (Research Centre for Applied Science and Technology), TU (September, 2019).
4. Judged 2019-2020 Conrad Challenge Business Plans.
5. Worked as Organizing Committee Member (Web Development and Communication Lead) for Asia Pacific Space Generation Online Workshop (October- December, 2021).
6. Worked as Focused Group Member for "Building Trustworthy Data Practices" a Citizen Science Project funded by National Science Foundation (NSF) and conducted in collaboration with the Citizen Science Association (CSA) (August-October, 2020).

Personal Projects:

1. **musicMuse:** An end-to-end development of a music generation system: from data scraping using beautifulsoup and machine learning model creation from scratch using pyTorch, to crafting an interactive user interface using JavaScript, Tone.js and other visual elements.

2. **Farmerz:** An ecommerce app made with flutter with product suggestions implementation using collaborative filtering with a custom backend interface using Django Rest Framework.

Research Papers:

1. “Of Sustainable Pathways and Approaches: A Mars Colonization Roadmap for the Asia-Pacific”-International Astronautical Congress (IAC), 2022.
2. “Environmental Satellite to Monitor Real-Time Environmental Parameter Changes in Response to Increased Climate Action” - International Astronautical Congress (IAC), 2022.
3. “Roadmap to promote Nepal's contribution to the space industry by Nepalese Space Research Association” - International Astronautical Congress (IAC), 2021.
4. “Assessing the Bottlenecks for a Sustainable Framework for APAC Regional Cooperation for Space Exploration”- International Astronautical Congress (IAC), 2021.
5. “Cooperation and Capacity-building of Asia-Pacific Countries for Space Exploration”- Global Space Exploration Conference (GLEX), 2021.

Conference/Workshop /Webinar:

1. 18th United Nations Climate Change Conference of Youth (COY18) in Dubai, United Arab Emirates (26-28 November, 2023).
2. 74th International Astronautical Congress by International Astronautical Federation (Baku, Azerbaijan, 2-6 October, 2023).
3. 73rd International Astronautical Congress by International Astronautical Federation (Virtual, 18-22 Sept, 2022).
4. 72nd International Astronautical Congress by International Astronautical Federation (Virtual, 25-29 Oct, 2021).
5. The Global Space Exploration Conference 2021 (Virtual, 14-18 June, 2021).
6. 7th IAA Planetary Defense Conference (Virtual, 26-30 April, 2021).
7. Participated in United Nations Space Conference on Space Law & Policy: Emerging Issues in Space Law & Policy-Perspectives for African Nations, organized in cooperation with Economic Commission for Africa (Virtual, 8-10, December, 2020).
8. Participated in World Space Forum 2020 by the United Nation Office for Outer Space Affairs (UNOOSA) held in (Virtual, 9-10, December, 2020).
9. Participated in Asia-Pacific Space Generation Online Workshop by the Space Generation Advisory Council (Virtual, 28th, 29th November & 5th, 6th December 2020).
10. 71st International Astronautical Congress by International Astronautical Federation (Virtual, 12-14 Oct, 2020).
11. 1st National Convention on STEM Education by STEM Education Nepal (Virtual, 15th Sept, 2020).
12. Global Hands-On Universe Conference by the International Astronomical Search Collaboration (Virtual, 22-28 Aug, 2020).
13. Participated in International Youth Conference on Science, Technology and Innovation by Nepal Academy of Science and Technology (21-23 Oct, 2019, Kathmandu, Nepal).
14. Attended the Online Webinar of the- “Using NASA EOS Data to predict, monitor, and respond to Vector-Borne and water related diseases” by the Globe Program (June-21, 2018).

15. Educator Professional Development Event on- “Technology Drives Exploration: Detecting Exoplanets presented by John Weis” by the National Aeronautics and Space Administration (Virtual, June-8, 2018).
16. Educator Professional Development Event on-ISS (International Space Station): Mass vs. Weight” by the National Aeronautics and Space Administration (Virtual, July-24, 2018).
17. Educator Professional Development Event on- “ISS (International Space Station): Environmental Control and Life Support Systems-Life Science” by the National Aeronautics and Space Administration (Virtual, July-30, 2018).
18. Educator Professional Development Event on- “Explore Flight: Real-World Balloon Aerodynamics” by the National Aeronautics and Space Administration (Virtual, Feb-11, 2019).
19. Educator Professional Development Event on - “Explore Humans in Space: Space Food and Nutrition” by the National Aeronautics and Space Administration (Virtual, Feb-21, 2019).
20. Educator Professional Development Event on- “Explore Flight: Flying in Our Atmosphere” by the National Aeronautics and Space Administration (Virtual, Feb-13, 2019).

Membership and Involvement:

1. Member at YOUNGO official Children and Youth Constituency of the UNFCCC (United Nations Framework Convention on Climate Change) **from 22nd November 2022 to till date.**
2. Committee Member of the IAF/IAA/IISL Advisory Committee on History Activities (ACHA) at the International Astronautical Federation (IAF) **from 29th September 2022 to 29th September 2024.**
3. IT Officer at Nepal Health Corps (NHC) **from February 2022 to Present.**
4. Member and Mentor at Space Generation Advisory Council (SGAC) form **2017 to till date.**
5. Nation Coordinator of Astronomers Without Borders(AWB) for Nepal- **from June 2021 to June 2024.**
6. Research Analyst for Asia Pacific Oceania Space Association (APOSA)’s London Politica project **from March 2022 to till date.**
7. Board of Director and Operational Manager at Nepalese Space Research Association (NESRA) **from 2018 to May 1, 2024.**
8. Space Student Ambassador at THE MARS GENERATION (TMG).
9. Globe Observer at The GLOBE Program **from 2019 to till date.**
10. STEM Ambassador at East-West Center (EWC)-Nepal **from 2019 to till date.**
11. Ambassador at Student for the Exploration and Development of Space (SEDS)-Nepal.
12. City Chapter Coordinator at IDEAS For US-Kathmandu **from 2021 July to Present.**
13. Dark Skies Ambassador at International Astronomical Union (IAU) **from 2019 to till date.**

Skills

- Program Management, Programming (C, C++, Python), MS-Word, MS-Excel, Microsoft PowerPoint, Webinar conduction skill, Research Analysis, AWS Basic

Language Competence

- Nepali, English, Hindi, and Sanskrit (in decreasing order of proficiency)

Visited Countries

Dubai, Azerbaijan, India
